On October 19, 2021, the Court granted Plaintiff's motion for default judgment and ordered Plaintiff to submit proposed default judgment. On October 22, 2021, Plaintiff filed proposed default judgments in the above captioned actions. After careful review of the proposed order, the Court believes that Plaintiff's proposed relief exceeds the scope of this action. Plaintiff requests that this Court interfere with the business decisions of third-party websites. The Court declines to do so.

The relief granted here compensates for and inhibits future instances of Defaulting Defendants' infringement on Plaintiff's trademark products. Plaintiff's other requests exceed the scope of this action.
